**Summer Day Camp
Rules of Enrollment**

Rules of Enrollment

We want everyone who attends camp to have a super fun time and create wonderful memories! For this reason, we would greatly appreciate if you communicate to your camper prior to attending camp about bringing a great attitude, a sense of adventure, curiosity, and respect for others and all living things—to camp. Included in this respect for others is our strict policy of arriving and departing on time for camp as explained in these Rules of Enrollment. Thank you for respecting The Urban Chickens and all campers in attendance by being on time!

GENERAL:

1. No candy or gum, food or beverages may be consumed during interaction time with chickens and ducks.
2. Please leave all jewelry at home.
3. If camper is on medication, or a reduced exercise program from camper's doctor that is new or different from information provided on the Camp Registration Agreement, or authorized persons for pick up or emergency contacts have changed, please inform adult camp staff at camp check in each morning.
4. For those with pet allergies, we will be around chickens during the camp session and also have a very friendly farm cat that is often with us.
5. After Camp, please change into fresh clothes to enjoy the remainder of your day!

All snack food and drink items are otherwise supplied by the camper. After you have registered and paid for camp you will receive a confirmation email with additional camp information and specific directions to camp. For privacy purposes and for the safety of our own children, we do not publicly provide our location address on the internet and ask that you please keep it private as well. Thank you!!

If a situation persists or is more serious, camp staff will contact parent(s) via a phone call and parents will talk with their own child. Appropriate consequences will be explained to the camper and then carried out after discussion with parent(s). In severe situations, a child may need to be sent home. BRING A FRIEND DISCOUNT: Receive \$15 off camp registration for the camp session your child is registering for.

To receive the \$15 discount, have your child invite a friend to join him or her at the same camp session, and then at registration checkout, enter promo code **FRIENDS2017** for a \$15 discount off your child's camp registration fee and be sure to enter the name of the friend who is joining your child at camp into the comment box. For your friend to also receive a \$15 discount, your friend needs to "pay it forward" and also invite a different friend to the same camp session to receive the discount, i.e., friends may not refer each other to receive the discount.

A sibling may refer one sibling each, but not each other. If you have a large family, you will need to create separate camp registrations in order to apply the promotional code. The code is only activated one time per transaction.

Thank you for reading and adhering to these Rules of Enrollment for everyone's safety and enjoyment of camp!
